

FAIRLAND

Dear players and parents,

We are extremely pleased and excited to be able to host the 2017 Fairland Lady Dragons Youth Basketball Camp again this summer. We continue to have a high level of success, with 6 straight 20 win seasons accomplished which is a school record for any sport, any gender. We understand without the willingness of our younger players to improve and fall in love with the game, we will ultimately fail to reach our goals. We wish to provide your daughter with the best basketball experience that she has all summer long in an environment that is focused on learning in a fun atmosphere. Please join us for a great week of getting to know each other better and become a better player in the process!

If you have any questions, please feel free to contact me at any time. I can be reached at the school (886-3200) or at home at 304-634-3294.
