

MOUNTAIN VIEW WRESTLING

**Today I will do what others won't,
so that tomorrow I can do
what others can't!**

Dear Friends of Mountain View Wrestling,

First let me introduce myself. My name is Scott Barker and I am the Head Wrestling Coach at Mountain View High School in Loveland Colorado. The team is seeking sponsors/donations to help assist our young wrestlers excel in the demanding sport of wrestling. In order to help our team and individuals succeed we need to offer them opportunities that reach from the local to national levels and we are in need of your help to assist them in achieving their goals.

Our team needs to fundraise annually for the essentials including mat tape, cleaning materials, travel cost and other equipment but our goal is to also help wrestlers afford to travel to National level tournaments and bring in guest clinicians from the Olympic Training Center in Colorado Springs. That does not come cheap! A resident athlete at the OTC comes at a premium with some asking \$500-\$1,000 per 1-2 day clinic! In order for us to keep moving our program forward we need to offer them the ability to seek out higher competition and give them the tools to be successful which includes getting them into a good college and eventually a good career.

Many of our students are on free and reduced lunch. This means that they are not able to afford many of the basic needs to be an athlete. High school athletics cost an average of \$200 per sport when you figure the athletic fees and Spirit Packs that are required today. Many kids don't go out for a sport simply because their families cannot afford it. I would like to assist these athletes however I can!

If you are interested in our offer please contact me and I would be glad to meet with you and cover any details of the programs that we are offering. Feel free to contact me via phone or email.

The High School sports experience is one of the most important in anyone's life. Remember all of the things you experienced during this time period. It had a lot to do with who you are now as a successful business owner/entrepreneur. The more positive experiences you have the more successful you are likely to be. We offer a solid foundation for our athletes based on a hard work ethic, commitment, discipline, character and dedication, all qualities that we try to pass onto our own children.

There are three levels of sponsorship listed on the back side of this paper. Please look over them carefully and see which one would best fit your level of commitment. Every donation is tax deductible!

Please consider assisting us in our quest to add to the positive experiences of these young athletes as well as becoming a program that they will remember fondly for years.

Thank you for your time and consideration.

Sincerely,
Scott Barker-Head Coach
Mountain View High School
