k4 k7

k3 k8

- 1 - Brimbank Teams are comprised of players from the subordinate age level from any Brimbank League Association or Club. The intention is to prepare them for playing in the higher age group next season. Player selection will be based on Team Coach advise. The team list will be dynamic to ensure all children who are moving up an age group next season are provided an opportunity to participate in this team.
- 2 - Team in the 1st Base Dugout bats first.
- 3 - Team in the 1st Base Dugout is responsible to collect the scorecard prior to the game and return completed scorecard to the Canteen after the game.
- 4 - Team Lists on scorecards are to include first and surname for all players.
- 5 - Team in the 1st Base dugout provides Plate Umpire, Team in the 3rd Base Dugout provides Line Umpire.
- 6 - Umpires shall be over 16 years to umpire Men games. Umpires shall be over 12 years to umpire Women games.
- 7 - Umpire Fees:
Junior Games: \$10 per team - \$15 for Plateumpire and \$5 for Line umpire
U19 Games: \$20 per team - \$30 for Plateumpire and \$10 for Line umpire
Senior Games: \$30 per team - \$40 for Plateumpire and \$20 for Line umpire
- 8 - All umpire fees are to finalised prior to the start of the game.
- 9 - Any club who cannot field a team on game day shall notify the opposing team and both associations by 12:00pm on the Friday prior to the game, otherwise the game will be a forfeit and subject to a forfeit penalty. The game shall be postponed to a date suitable to both teams.
- 10 - A game can only be postponed once, the team who cannot field a team for the new date will forfeit the game and will be subject to a forfeit penalty.
- 11 - All U12 games will be played according to the U12 Rules in this fixture.
- 12 - All teams are to wear their club uniform.
- 13 - Pitching: U19/Women from 43ft, Men from 46ft.
- 14 - U16 use 9 Batter Rule for all games.
- 15 - For a ball hit through the Cones: Women advance 3 bases, Men advance 2 bases, U19 (Boys & girls) advance 2 bases.

The intent of these rules is to encourage maximum participation within a flexible environment for the enjoyment of all players. Thus, there will be NO forfeits with regard to lack of players, teams will be permitted to play with fewer players or borrow without restriction from other teams. Moreover, the main consideration is to determine the most suitable game for each individual and to play them in a game that best meets their level of competence. While always adhering to the duty of care owed to young people, opportunities should be provided for the self-improvement and appropriate development of participants.

1	Rules
1.1	All games shall be played under the 2010-2013 Official Rules of Softball Australia unless otherwise stated in these rules.
2	Teams
2.1	Teams shall consist of a minimum of seven (7) registered players.
2.2	Teams may be mixed gender (it is desirable that the ratio of males to females is comparable).
2.3	Players can be substituted in and out of the game as many times as desired.
2.4	Teams may borrow players from the opposition or other teams to equal playing numbers. These players shall be noted on the score card with the club name in brackets after the players name).
2.5	A Designated Player (DP) shall NOT be permitted.
2.6	ALL players shall bat and field in every game, except when subject to illness or injury.
3	Pre-Game Rules
3.1	The dugout allocation will be per the fixture.
4	Time Rules
4.1	Games are 1 Hour 15 minutes in duration. All games must finish at the scheduled finish time even if they start late.
4.2	Each team bats for ten (10) minutes per inning – regardless of the number of outs.
4.3	The game consists of three (3) complete innings (each team bats and fields three times per game).
4.4	There is No 5 minute rule.
4.5	Time is taken by the official clock, which is held by a participating club representative at the game.
5	Batting Order
5.1	All players' full names are to appear on the scorecard. This is the batting line-up.
5.2	The same batting order must be followed throughout the game.
5.3	Each team continues to bat for ten (10) minutes regardless of the number of outs.
5.4	All listed players will bat throughout the game (e.g. if twelve (12) players are listed on the line-up, ALL twelve (12) will bat within the timeframe).
6	Batting
6.1	If a batter bunts foul after two strikes there shall be no penalty. 'Foul Ball' shall be called by the umpire and the batter told not to bunt again.
6.2	After three (3) balls on the batter, the count returns to nil and the batter receives three (3) chances to hit the ball pitched by an elite player*. If the batter fails to hit one of these pitches in fair territory they will retire to the dugout** (they may bat again if time permits). There are NO walks.
Note*	<i>while the elite player is delivering up to three (3) pitches to the batter, the junior pitcher shall remain off to the side of the pitching area.</i>

Note** *For scoring purposes, if the player fails to hit the elite pitcher or is struck out this is not considered an 'out', After the 3rd out no more runs will count (but the offence continue to bat). Further, common sense should be applied when the elite player is pitching to the batter; if one pitch is wayward, another should be permitted.*

7 Base Running

- 7.1 Batters and runners may only run two (2) bases on a ball hit from the pitching of an elite player (Note: this is to encourage players to hit the ball pitched by the opposition player and not the easier pitch delivered by the elite player).
- 7.2 Runners may not run home from 3rd base on a pitched ball not stopped by the catcher. Note that this is to eliminate contact at home plate and to encourage teams to bat their runners in.

8 Scoring of Runs

- 8.1 Any runs accrued after three (3) outs will not be recorded by the statistician(s), but the team will continue to bat within their ten (10) minute timeframe nonetheless. This rule is in place to help facilitate participation.
- 8.2 If the ten (10) minute timeframe has elapsed and there is any runner(s) on base, those runners will score provided 3 outs have not been previously obtained. There is no need for the runners to run around the diamond and touch each base.

9 Game Management Rules

- 9.1 There is NO intentional walk.
- 9.2 There is NO DR permitted.
- 9.3 The run ahead rule CANNOT APPLY.
- 9.4 Teams CANNOT declare their innings closed.
- 9.5 If the ball is blocked outside 220 feet on an open field, it is three (3) bases (unless the runner has made it home prior to the ball becoming blocked – at which point they will be awarded home).
- 9.6 There IS a Catcher Speed-up rule.
- 9.7 The dropped third strike rule DOES apply (this point is included in the rules for emphasis, given this rule has not been invoked in previous years).
- 9.8 The Infield Fly rule does NOT apply.
- 9.9 Fielding changes AND substitutions are prohibited during the inning (unless for illness or injury)*
- 9.1 The 'Hit by Pitched Ball' rule does NOT generally apply. Instead, it will be considered a ball on the batter. However, if the batter is hurt they can be permitted to occupy 1st base.**

Note* *Previously, fielding changes and substitutions have been time consuming, limiting the offensive teams batting opportunity.*

Note** *The purpose of not applying the 'Hit by Pitched Ball' rule is to encourage the batter to get on base by hitting the ball, and not by getting hit themselves. However, it is essential that the player's care is considered; it would be detrimental to the game and the player if a batter was hurt and unable to be placed at 1st base. Thus, common sense must be applied when such an event occurs. If a player is fine and uninjured they shall be permitted to continue their turn at bat. If they are injured and upset, they shall be awarded 1st base.*

10 Fielding

- 10.1 A maximum of nine (9) players must be on the field when fielding.
- 10.2 A pitcher can only pitch for a maximum of two complete innings but not consecutive. (Note: a player cannot come onto pitch in the 2nd inning if they have pitched in the 1st inning).

- 10.3 A catcher can only catch for a maximum of two complete inning (Note: a player cannot come onto catch in the 2nd inning if they caught in the 1st inning).
- 10.4 Pitchers and catchers must rotate to the outfield once they have fulfilled their pitching and catching duties.
- 10.5 Players are permitted to field in the outfield for a maximum of one inning per game.
- 10.6 A player cannot field in the same position for an entire game.
- 10.7 No player, unless injured or unwell, can sit on the bench for the entire game.

11 Playing Field and Equipment

- 11.1 The base paths shall be 60 feet.
- 11.2 The pitching distance shall be 35 feet.
- 11.3 A soft core 11" ball will be used, and is to be supplied by Softball Victoria.
- 11.4 The length and weight of the bat should be suitable for the size (height/strength) of the players. The bat should also have a regulation non-slip grip.
- 11.5 It is preferable for batting helmets to have chin straps. Batting helmets must be worn by all batters, runners and on-decks batters and must fit properly.

12 Coaches

- 12.1 A maximum of two (2) coaches from the defensive team are permitted on the field to assist their players. They MUST be positioned behind the infield area.
- 12.2 Coaches are only permitted on the field to verbally assist their players in defence. They must not physically assist their players.
- 12.3 Coaches must wear the club uniform shirt and be neatly attired.
- 12.4 No open faced shoes (e.g. thongs) are permitted.
- 12.5 Coaches should use common sense and be courteous to all umpires at all times.

12 Umpires

- 13.1 The Team occupying the 1st Base Dugout shall provide the Plate umpire and the Team occupying the 3rd Base Dugout shall provide the Line Umpire.
- 13.2 Each club shall contribute \$10 toward the cost of umpiring. The Plate Umpire receives \$15 and the Line Umpire receives \$5.
- 13.3 Junior umpires will umpire the games within the philosophy of the game with senior umpires assisting with mentoring during the game.
- 13.4 It is recommended that the this age group is ideal for new players to gain experience at umpiring under the guidance of a senior player/coach. Umpires do not have to be Level 1 accredited.

14 Uniforms

- 14.1 It is encouraged that ALL players registered with their respective clubs are in correct uniforms.
- 14.2 In the event of inclement weather, players ARE permitted to wear jackets.

15 Match Points

- 15.1 A team will be awarded four (4) points for a win, two (2) points evenly distributed for a draw, and zero (0) points for a loss.

16 Weather

- 16.1 The Plate Umpire or senior player/coaches will SUSPEND play if it is felt unsafe to play.

17 Protests

- 17.1 Teams are NOT permitted to protest. However, any problems at the diamond can be resolved amongst the coaches to sustain the equitable spirit of junior softball.
