

Bredt St 200 Results

Rnd1.

Thursday evening kicked off Round 1 of the Bredt St 200. Warm conditions made the 200 meter one on one sprint very challenging & after 5 rounds cyclists were really surprised at just how tough 1000 meters can be! The 5 rounds seen cyclists struggling to choose the right gearing on each run as no one came up against the same person twice. Many cyclists were away & missed the first round & I'm sure will be keen to make up some points at the next event on the 14th Of December which is also our xmas break up, so be sure not to miss this one.
