Emergency Management Institute/Independent Study Program

The Independent Study Program

General Information

The Emergency Management Institute's (EMI) Distance Learning (DL) Section offers the Independent Study Program (ISP). This is a distance learning program which offers training, free of charge, to the nation's emergency management network and the general public. It serves as both an alternative means to deliver valuable training to the professional and volunteer emergency management community, and an opportunity to improve public awareness and promote disaster preparedness nationally.

The Independent Study Program offers over 180 training courses via our training website <http://training.fema.gov/IS/>.

In Addition...

Students are able to obtain continuing education units for all ISP courses. ISP also offers college credit for many of the courses through an agreement with the Frederick Community College in Maryland. Students who successfully complete courses can also request student transcripts be provided to institutions to assist students in obtaining continuing education units and/or to military institutions for military personnel to earn retirement points.

In addition, the program offers a customer support center to assist students. The customer support center can be reached through email at **Independent.Study@fema.dhs.gov** or telephone at 301-447-1200. The hours of operation are Monday through Friday, 8:00am–6:00pm ET.

How to get started

The fastest way to begin taking courses is to visit our website. You can learn about each course, download materials and take courses interactively. Just follow these easy steps:

1. Go to our website:

<http://training.fema.gov/IS/>

2. Click on ISP Course List
3. Select your course of interest

Once, you have studied the training material, you can submit your final exam, all from the convenience of your home or office.

Upon successful exam completion, you will receive an email within one business day that confirms your transcript has been updated and a link to create your electronic certificate.

A screenshot of the EMI ISP website. The header reads "Independent Study Program (ISP)". Below it, a section titled "Distance Learning" states that EMI offers self-paced courses free of charge to the general public. A list of course categories includes Incident Management, Operational Planning, Continuity Programs, and Public Disaster Communications. On the right, a box titled "IMPORTANT NOTICES" lists links for transcript requests, form requests, inquiries, college credits, continuing education units, and for non-US residents. Another box titled "STUDENT SELF HELP GUIDES" lists links for saving certificates and copying links.

Independent Study Program (ISP)

Distance Learning

The Emergency Management Institute (EMI) offers self-paced courses designed for people who have emergency management responsibilities and the general public. All are offered free-of-charge to those who qualify for enrollment. To get a complete listing of courses, click on Course List link above.

FEMA's Independent Study Program offers courses that support the nine mission areas identified by the National Preparedness Goal.

- Incident Management
- Operational Planning
- Continuity Programs
- Public Disaster Communications
