Our great club comes from respecting each other.

Soccer is such a fantastic game and that's why we're all here. We're so lucky and **grateful** to have so many fabulous people involved with our club. It takes many people to create a great match day and **welcoming** club environment.

From players, referees, match officials, coaches and spectators we all have an important roll to play to promote the high standards of behavior in the game. Roles are not always easy. Showing **respect for each other** and the roles we all play provides a comfortable environment for everyone.

Together we ensure our soccer is enjoyed by the whole of the football community; that's what makes our club awesome.
