

Below is list of required protocols to be used during any Bownet/ICE-20 practice/game or organized event.

- Teams must adhere to their respective county's protocols, which override any protocols listed below.
- Organization waivers must be signed – no waiver, no play.
- Parents are to drop off players (in a spaced out drop off process), if they wish to watch practice, they must be in the outfield or appropriately distanced(6 feet) in the stands or surrounding areas. It will be understood that parents will not be interacting with the coaches or players.
- If there is another team finishing up practice, players must stay in the car (or wait) until the field is cleared from the previous team's practice .
- Everyone will be required to wear face coverings/masks except as outlined below.
- Parents may be recruited to help/volunteer with sanitizing duties but must comply with the same protocols as the coaches.
- If a player/parent is sick and still shows up, they will be sent home.
- If a same household family member of a player becomes infected or exposed to an infected person, the coaches must be notified and quarantine guidelines applied.
- When available, temperatures will be taken.
- No food – no exceptions.
- All team gear and player gear will be cleaned and sanitized prior to and after each practice.
- Coaches will wear masks (except during strenuous activity).
- Players will wear masks when not in a strenuous drill or activity, including when they are off the field.
- Players will have their own softball glove, bat and helmet... Absolutely no sharing.
- Equipment shed(s) will remained locked and only coaches will have access.
- Dugout is off limits to avoid any congregating.
- All player equipment will be hung on the field fence at least 6 feet apart.
- All drills will be no more than 6 players in the drill, keeping appropriate (6 feet) distance.
- Multiple player contact may not be avoidable during a play, so hand sanitizer will be on both sides of the field if a player fields the ball.
- Anyone initiating a drill or play (coach/pitcher) players and coaches will use hand sanitizer. This includes warm ups for position players and pitchers and catchers.
- No person to person contact.
- No loitering before or after practice.
- Bownet/ICE-20 teams wishing to participate in scrimmages, friendlies or tournaments must get approval from Bownet Youth Sports prior to signing up. We need to know who is attending and to make sure they are abiding by the protocols.
